IMPORTANT:

1. Due to the new Customs' regulation, please ship alcoholic products individually. Do not combine with other foodstuffs and non-foodstuffs.

2. According to General Administration of Customs People's Republic of China (GACC) NO.56 Announcement 2017 (Announcement of the adjustment for the relative items of Inbound and outbound means of water and air transport and manifest supervision), all shipment inbound / outbound China shall all in-put additional data in CHINA CUSTOMS ADVANCED MANIFEST (CCAM) as below: shipper's name, address, postcode, telephone number and enterprise registration code; consignee's name, address, postcode telephone number and enterprise registration code; notify party's (if needed) name, address, postcode telephone number and enterprise registration code. Above information have to be all shown on Air waybill (MAWB and HAWB), bill of lading, Sea waybill, etc. Detailed information available upon request.

3. Due to the Customs System updating, all air consignments now require HAWB manifest data in the customs system. Therefore please consign the air consignment under MAWB with back to back HAWB. The consignee and notify party on MAWB and HAWB are the same. Otherwise air consignment under MAWB without HAWB will no longer be distributed to our airport warehouse, which will take longer time for customs clearance and incur more cost for terminal handling.

1.2.2 Quarantine documents

(Very important for alcohol products)

A. Original Health and Sanitary certificate for wooden packing, or non-wood packing material certificate, or non coniferous wood packing certificate. Non-wood packing material is strongly recommended.

B. Original Health and Sanitary certificate duly stamped by the concerned Health authority or vets of country of origin

C. Original certificate of origin

D. All the spirit / liquor including brandy, cognac, rum, gin, liqueur, whisky, vodka, still wine under HS code 2208** will be required extra original "plasticizer Analytical report" with 3 analysis index like "Dbp, Dehp, Dinp". Wine Label is also required.**

E. Please send your original laboratory test report to Shanghai Uni Expo Co., Ltd. This report should prove that your samples are qualified for human consumption; All test data should be in the normal range according to Chinese GB standard.

1.2.3 Pre-Advice

Please let us have your pre-advice (FORM 1) of shipping details three working days prior to the cargo arrival in Shanghai. The pre-advice should include:

A. Flight No. for airfreight / Vessel Name and Voyage No. for sea freight

B. Date of Departure and Date of Arrival

C. Air /sea Way Bill Number / Bill of Lading Number

D. Case Number / Container Number

E. Total Pieces, Weight and Measurement

F. Special Handling or Storage Instruction

G. Copy of certificate of origin certificate of health, and plasticizer Analytical report if any. The order, name, quantities and net weight of the items on both certificates shall keep consistent.

1.2.4 LOE - List of Exhibits (FORM 2B) and wine label are also necessary.

1.3 ADVICES FOR SHIPPING AND PACKING

1.3.1 Terms of Transportation

* For full container-load sea shipment, it is essential to specify CY/CY as the B/L services code of destination, and to indicate S.O.C. on B/L if shipper's own container is used.

* Volume/Weight Conversion for airfreight: 6 CBM is equal to 1,000 KGS.

1.3.2 Dangerous Cargo / Hazardous Goods

For dangerous goods / hazardous goods, an IMCO certificate / declaration form must be attached with the airway bill or Bill of Lading. And the copy of the above documents must be faxed to Shanghai Uni Expo Co., Ltd. before the freight arrives.

1.3.3 Packing Instructions

A General Packing Instructions

It is recommended that whenever possible, exhibits be packed in cases and/or crates suitable for return shipments. It is also recommended that contents be securely choked, blocked and braced to be protected against multiple handling during transit. Please ensure:

- * All cases should be bolted rather than screwed or nailed.
- * Stapled or Stitched-nailed crates or cartons should not be used except for disposable goods.
- * If cases cannot be slung, they should be mounted on skids to facilitate the handling with forklifts.
- * Exhibitor, at their discretion, may plan to exhibit equipment on skid, as the floor may not always be completely level. These skids must however be suitably covered to preserve the overall presentation of the exhibition.
- * To minimize risk of loss, damage or delay, avoid shipping your exhibit in small packages (individual package for over 1 CBM is recommended, e.g. 1m x 1m x 1m). We recommend you use the big strong case with small cartons collected together inside.

B Protection against Damage, Rain and Heat.

Please be advised that exhibits will be placed outdoors many times including open-air storage at the exhibition site. It is recommended that the packing of case must be strong enough to protect the exhibits from damage, rain and heat. The carton package is not recommended, as it is not suitable for repeated handling and repacking. Any damage and claims will not be accepted to the unsuitable carton packages.

C Special Attention to Oversize and Overweight Exhibits

Cases for heavy exhibits should be so constructed that the sides are jointed by bolts rather than by nails or screws. This will prevent the case from being damaged during unpacking and will save considerable time, especially during repacking. Please mark the front side of the case clearly to ensure correct positioning. Please ensure that you have adequate and appropriate packing materials for repacking.

1.3.4 Marking Instructions

A Please mark all the packages with the following information on a shipping label:

EXHIBITION: SIWC China Shanghai 2025

EXHIBITOR: _____ HALL / BOOTH NUMBER: _____

PIECE NUMBER: _____ of TOTAL PIECES _____

GROSS WEIGHT: _____ KGS

DIMENSION (M): _____ L x _____ W x _____ H

- B Please apply at least two shipping labels to different sides of one package.
- C In addition to the above, the following markings should be shown on the sides of the cases where applicable:
- * Label fragile items on all sides.
 - * Items that must be kept in upright position, on 2 sides label This Side Up.
 - * Items which cannot be stored outdoors must be marked on 2 sides with the umbrella symbol.
 - * Stripes should be painted on vessels, tanks and similar equipment to indicate where slings must be placed for hoisting, also label SLING in the proper location.
 - * Cases containing spare parts must be marked SPARE PARTS and contain only spare parts.
 - * CENTER OF GRAVITY, FRONT and RACK signs must be clearly marked externally for uneven loads and bulky items.
 - * Other markings should conform to the International Rules and Regulations governing packing signs and symbols.

1.3.5 Hand Carried Exhibits - Please refer to 1.4.3

1.4 CUSTOMS REGULATIONS

1.4.1 General Regulation

Please declare the value of your exhibits on LOE in accordance with the actual value. However, Shanghai Uni Expo Co., Ltd. will consult with the Customs and reserve the right to adjust the value.

CHINA CUSTOMS will have a random inspection of your cargo after arrival Shanghai seaport / airport. During the inspection, Customs officer will random pick 1 or 2 bottles per variety for inspecting.

1.4.2 Approval for Restricted Goods

According to the Chinese customs, for all consumable exhibits, a consumption application must be submitted to the customs during the entry declaration, and two samples of each

commodity name should be provided. Consumption, distribution or use are allowed after obtaining the permission. All imported food should be within the list of permitted countries and such food must not imported from epidemic areas.

Important reminder: It is not recommended to distribute and consume exhibits containing electronic components. Such exhibits must obtain the China Compulsory Certification, commonly known as 3C Certification.

SLIDES/DVD/VCD/CD are prohibited from entering the country. Such exhibits must obtain the import license issued by the Chinese press and publication administrative department.

For consumables (printed matter, brochures, leaflets, etc.), 2 samples must be submitted to Shanghai Uni Expo Co., Ltd. before the deadline of customs clearance documents for customs review. For alcohol exhibits, please provide the following relevant declaration information: the total number of pieces in each box; the capacity of each piece; the alcohol content; the production year of champagne, red wine, and whisky; the brand, etc.

1.4.3 Clearance for Hand Carried Exhibits

Small items of exhibits can be hand-carried with your luggage, please declare to Customs at the airport that your hand-carried items are for exhibition purpose. If the hand-carried items are detained by Customs at the airport, please hand over the detention receipt and List of Exhibits (duly filled) to our staff to arrange pick up. Exhibitors arriving late with hand-carried exhibits should be prepared that the Customs formalities and pick up procedures may take two working days.

Hand-carried exhibits will be sealed after declaration and unsealed by the China Customs on the exhibition site before the opening of the exhibition. Please do not mix personal items with exhibits for declaration.

1.4.4 Exhibits to be Retained in China for Sale or Donation

Sold or donated exhibits will be kept in the bounded warehouse of Shanghai Uni Expo Co., Ltd. before customs cleared. All the procedure is to be finished within six months.

However, exhibits kept in Shanghai Uni Expo Co., Ltd. bounded warehouse over six months must be transferred to the delegated public Customs bounded warehouse treated as general cargo instead of exhibition goods. Exhibitor must finish the permanent import procedure within another six months before the Customs confiscate these goods.

1.4.5 Declaration in Advance

According to the latest regulation released by China Customs, Shanghai Uni Expo Co., Ltd. has to do declaration before shipments' arrival in Shanghai both by sea and by air. If by sea, please ask your local agent in China to input the EDI data as soon as possible after vessel's departure. If by air, please make sure your air agent input the correct EDI data in time.

1.4.6 Declared Items Limit

China Customs has adopted a new declaration system in which the limit number of the declared items under one Waybill / Manifest is 50. Please separate the shipment into two or more Waybills / Manifests if the items exceed the limit number.

1.5 QUARANTINE REGULATIONS

1.5.1 Alcohol products

According to the regulation of the General Administration of Customs of the People's Republic of China (GACC), China Customs will conduct random sampling of the imported exhibits.

Please notice that each variety of alcohol products can have 6 bottles / cans including 1 bottle / can for Customs inspection.

1.5.2 Regulations on WOOD / NON-WOOD Packing

1.6 ON-SITE HANDLING

1.6.1 Storage of Freight During the Exhibition

We do not recommend the exhibitor store the freight on-site. There is no indoor storage place in the exhibition hall. So, if there is any of your freight need to be stored on-site during the exhibition, Shanghai Uni Expo Co., Ltd. will not take any responsibility or claims for the loss and/or damage of the freight.

1.6.2 Storage of Empty Cases

According to the regulations of temporary storage area issued by SNIEC. If the empty of exhibits or stand materials need to be kept on-site temporarily, the exhibitor or stand builder shall apply at the official forwarder and pay the service charges first. The temporary materials must be labeled and kept in assigned areas which are authorized by the official forwarder. If the materials are kept out of the assigned area or without any label, SNIEC will dispose as ownerless material and the exhibitors shall be responsible of the cost of disposal.

1.6.3 Oversize / Overweight Cargo

Exhibitors with oversize / overweight cargo must be on site to supervise the operation of unpacking and positioning. In case you have any request for assembling operation, please let us have your crane / forklift renting order (FORM 5) together with your detailed layout of move-in / out operation two working days before.

1.6.4 Return Container and Demurrage of Container

If exhibitors do not require keeping the container for return, they have to pay for the container demurrage charges from the date of vessel arrival till the show opening date. If exhibitor requires keeping the container for return shipment, container demurrage charges will be charged to exhibitor till the date of vessel departure.

1.6.5 Non-on-site Container Stuffing

Container stuffing usually should be managed on the show site during the closing day of the exhibition. Otherwise, there would be additional charges, rates in 2.4.7.

1.6.6 Unpacking and Re-packing of Exhibits

We will assist exhibitor in physical unpacking and installing of exhibits. Exhibitors, however, must supervise and be responsible for these operations. For this purpose, a responsible representative of the exhibitor must be available on-site during the move-in period since this service will be performed at exhibitor's own risk. In some circumstances, however, the customs at the ports or fair site may inspect the case without exhibitor's presence.

Similarly, during exhibition closing, exhibitor must also supervise the dismantling and re-packing of exhibits, especially for delicate or heavy equipment. When second-hand packing material is used to repack exhibits, the packing is regarded as no longer suitable to protect the equipment against damage/moisture compared with the original. Exhibitor shall therefore bear the responsibility for the consequences arising there from.

1.7 AFTER THE SHOW CLOSING

1.7.1 Customs Clearance

The exhibition center is regarded as a Customs Bonded Area. As the official freight forwarder for the exhibition, we are responsible to the Customs for clearance of all

the materials coming in and going out of the exhibition center. Exhibitors should not allow their exhibits to be taken away from the show ground without prior arrangement with Customs through us.

PLEASE PAY SPECIAL ATTENTION TO THE ALCOHOL PRODUCTS WHICH HAS NOT BEEN CONSUMED DURING THE SHOW, WE HAVE TO COLLECT THEM AND SUBMIT TO CUTOMS INSPECTION SITE FOR DESTORYING AFTER THE SHOW CLOSED.

GIVE-AWAY THE REMAINING EXHIBITS EVEN TO YOUR SALES AGENT IN CHINA OR TAKE AWAY FROM EXHIBITION CENTER ARE FORBIDDEN.

Other related regulations please refer to 1.4.1-1.4.4

1.7.2 Closing Documents and Hand Over

The INSTRUCTION FOR DISPOSAL OF EXHIBITS (FORM3) together with the copy of the previously filled LOE (FORM2) will be distributed to exhibitor by the on-site staff of Shanghai Uni Expo Co., Ltd. Please clearly declare the disposal of your exhibits. Please return FORM3 back to Shanghai Uni Expo Co., Ltd. before the show closes.

Shanghai Uni Expo Co., Ltd. will make shipping labels according to your FORM3. After your exhibits duly packed, please put the label on your exhibits. Shanghai Uni Expo Co., Ltd. will collect your exhibits and give back a sheet of FORM3 to you as a cargo receipt, so please do not leave your exhibits before the procedure of hand over finished.

1.7.3 Re-export the Exhibits

Exhibits are temporary imported and must be re-export after closing of the exhibition if not sold, transferred to bonded warehouse, consumed, or abandoned to the Customs. Customs formalities for re-exported exhibits usually take at least 3-5 working days, excludes the booking procedure. The shipments will only be arranged with all payments settled.

1.7.4 Sold goods/Disposal

These wine are not allowed to sell by Customs now.

All goods sold or disposed or given away or not re-exported shall be subject to import duty and taxes of the CIF value or appraised value by Customs whichever is greater. The duty

varies with commodities and the VAT is 17% of CIF value. The Procedures for Sold Goods are as follows:

Exhibitors are required to submit a copy of the contract, buyer's company name, address and contact number to Shanghai Uni Expo Co., Ltd. at the end of the show.

The buyer is required to present to Customs the invoice/packing list and sales contract for the processing of permanent import and payment of duty and taxes.

After the duties and taxes are paid, buyer will be allowed to take delivery of the goods from the Customs bonded warehouse.

For exhibits pending sale or waiting for signing of the sales contract, the exhibits will be transferred and kept in the Customs bonded warehouse subject to a maximum period of six (6) months from the date of import. After the period of six (6) months, the exhibits must either be re-exported or sold.

For sold exhibits, all duties and taxes must be paid and all import formalities must be completed within 6 months time. Failure to comply, cargo will be forfeited by the Customs. Sold goods pending conversion to permanent import shall be transferred to Customs bonded warehouse for storage. Additional charges shall be for account of the exhibitor unless assigned to the buyer.

1.7.5 Temporary Bounded Warehouse

Exhibits will be stored at the registered bounded warehouse before re-exported or Customs cleared. Detailed information please refer to 1.4.4.

1.8 INSURANCE AND EXEMPTION

Please note that all work is undertaken by Shanghai Uni Expo Co., Ltd. at owner risk and we provide no direct insurance on exhibits. Please make sure that all your shipments are covered by a full comprehensive policy from the time of dispatch from works to Shanghai till return (including exhibition period). And please pay close attention to the efficient date of insurance.

Companies using Shanghai Uni Expo Co., Ltd. nominated agents as forwarders will be

invoiced by them for all services. Companies shipping other than by our office or agents are advised that full payment for on-site services must be received by us before the close of the exhibition in China.

Shanghai Uni Expo Co., Ltd. will not be responsible for the condition or contents of any goods received for storage, nor for loss of weight, nor for any damage to the said goods before or whilst being stored or remaining in storage caused by dampness, termites, burglary, theft, Act of God, Enemies, hostilities, strikers, lockouts, riots, civil commotion, affects of climates, monsoons, tempest, torrential rains, floods, temperature changes, heat, fire, lighting, earthquake, explosion, vermin, white ants, unprotected or insufficiently protected casting or machinery, defective or insufficiently protected casting or machinery, defective or insufficient packing or packages, obliteration of marks, hook holes, tearing of covers, bursting of bands or hoops, leakage, rust, decay, sweat, mildew, dry rot, evaporation, fumigation, accidents, latent defect of the storage containers, inherent vice or circumstance over which the or any part or parts therefore to any part of parts of their storage container for storage.
